EDUCATION

Dr. Ram Manohar Lohia Avadh University, Ayodhya   2021 – 2023
Bachelor of Arts in Geography and Sociology

WORK EXPERIENCE

-
  Code Compass LLP   Gurgaon, India
  Java Developer   *June 2025 – Present*
  - Transformed a legacy monolith into Microservices-based architecture, improving scalability.
  - Built a data processing ETL project using Spring Boot, exposing it via REST API.
  - Created a Central Authentication System using JWT for unified login across projects.
  - Developed Admin Dashboard to manage quiz content efficiently.
  - Optimized backend and frontend performance, reducing server load by 25%.
  - Worked with Spring Boot, Oracle DB, Maven, Kafka, React.js, and Multi-threading.

-
  RS Top Coder Software Solutions   Noida, India
  Website Design and Graphic Design   *June 2023 – July 2024*
  - Created visually appealing websites, logos, and graphics that improved clients' digital presence and branding.
  - Used tools like CorelDRAW, Adobe Illustrator, Photoshop, and Figma to deliver high-quality, creative designs.
  - Built responsive and user-friendly layouts using HTML and CSS, ensuring optimal experience across devices.
  - Collaborated with UX team to enhance user satisfaction, achieving a 80% positive feedback rate.

PROJECTS

-
  E-Commerce Application | *GitHub*   *Java, Spring Boot*
  - Built a full-featured e-commerce application with product listing, cart, and checkout functionalities.
  - Implemented user login, admin dashboard access, and order tracking using Spring Security with JWT-based authentication.
  - Handled backend using RESTful APIs and integrated MySQL database for secure transactions.

-
  Client Websites, Logos & App UI Designs   *Web Design & Prototyping Stack*
  - Designed and developed multiple websites for clients with responsive layouts and modern aesthetics.
  - Created branding materials like logos, icons, and banners using *CorelDRAW* and *Adobe Illustrator*.
  - Designed user interfaces for mobile applications using *Figma*, focusing on UX and visual clarity.
  - Ensured cross-device compatibility and a clean user experience across platforms.
